If you know the lifestyle that can be enjoyed in Canmore, you will immediately appreciate the custom designed forever home by the European builder/sellers. Timeless styling, comfort, utility, Uber energy efficient construction, spa room, two home offices, separate accommodation (revenue generation) from the garage legal suite, exercise space, 2 master bedrooms with closets and ensuites, private rear garden oasis with covered entertainment space, south facing front deck…. I could go on but the sellers might change their mind !!! To summarize this home is special, unique, in a great downtown location, close access to a tennis and pickleball court, the river, trails, stellar mountain views and, for the right discerning buyer, an easy decision. This is truly a remarkable opportunity in the Canadian Rockies.
