IMMEDIATE POSSESSION AVAILABLE! Amazing 2 year old Peyton plan built by Unique Home Concepts is better than new. This home is beautifully landscaped with concrete curbing, trees, concrete patio, large, covered deck, & irrigation system for the front & back yard. Main level offers vinyl plank flooring through-out, cozy fireplace in living room with remote control blinds. Kitchen features center island with eating bar, butler pantry, soft close cupboards & doors. Leading to the garage is a half bath and mud room with individual hooks and stalls great for organization. Upstairs master suite includes ensuite with dual sinks, large, tiled shower, deep soaker tub; then through the walk in closet you have direct access to the laundry room. On the upper level there is also a large bonus room, 2 more bedrooms, as well as a full bathroom including a double vanity. Walk out basement is left undeveloped with plenty of space to add a man cave, rec room, extra bedrooms & bathrooms or whatever else you can imagine. Triple garage has epoxy floors and is finished & heated with floor drains, meaning you never have to get into a cold vehicle or brush snow in the morning. Additional upgrades include gas line to deck for BBQ, CENTRAL AIR to keep cool during those hot days. As a bonus you have all the great features of living in the city without the city taxes. This home shows incredible, it's a must see!!!
