Welcome to 20 Sun Harbour Close SE, a beautifully updated 3-level split home in the sought-after lake community of Sundance. This charming property offers a functional layout with modern upgrades and a prime location near shopping, amenities, Fish Creek Park, and scenic walking and bike paths. The home features a bright and inviting main floor with a spacious living room, complete with a cozy wood-burning fireplace and a mini bar, perfect for entertaining. The newly renovated kitchen boasts newer appliances, a natural gas stove, soft-close drawers and cupboards, and a convenient breakfast bar. Sliding door access from the living room and an additional door from the kitchen provide seamless entry to the large backyard, which includes a shed and a BBQ gas line hookup. The south-facing front of the home allows for plenty of natural light, enhancing the warm and welcoming atmosphere. Upstairs, you'll find three well-sized bedrooms, including a primary suite with a large walk-in closet. The updated bathrooms feature a newer dual rainfall shower with dual bench seating and a jetted tub in the other bath. The lower level offers additional functionality with a bathroom, office space, extra storage, and a laundry room. The fully developed basement provides even more living space, ideal for a recreation room while under-stair storage maximizes storage space. This home is designed for comfort and efficiency, featuring air conditioning, a Vacuflow system, a rebuilt furnace with a new motor, and a hot water tank that is only two years old. The property also boasts hardwood flooring, carpet and tile upstairs, knockdown ceilings, and durable hardie board siding. A double garage with 2 additional driveway parking spots adds convenience for guests. With lake access, excellent schools, and plenty of nearby amenities, this home is the perfect blend of style,

function, and location.
