Welcome home to this positively beautiful, fully finished home in desirable Legacy overflowing with HIGH END upgrades throughout. The 2 storey entry floods with natural light, the finishes are clean and modern and give a real sense of affordable luxury. You will find a spacious mud room just off the garage that connects to a large, walk through pantry for easy grocery management. The kitchen is a stunner with several upgraded, stainless steel appliances including built-in oven, built-in microwave, induction cooktop, range hood and large island for hosting memorable get-togethers with friends and family. The main floor also enjoys a cozy fireplace with gorgeous tile and mantel features, as well as a spacious dining area with all the room you need for a fabulous dining experience. As you move up to the second level you will love the upgraded railing details and notice there is NO CARPET upstairs, just luxury vinyl plank throughout! The bright principle bedroom is an absolute show stopper with spa-like, five piece ensuite and a huge walk in closet. Well located between the bedrooms, the upstairs bonus room is perfect for a play room, homework space, fitness area or home office. Two additional bedrooms and upstairs laundry round out the top floor. The basement level is FULLY FINISHED with a large recreational space, three piece bathroom, and a flexible room without a window. The fully fenced and landscaped yard is your dog's dream come true with turf for easy clean up and low maintenance giving you more time to enjoy the massive South/West exposed deck for hosting BBQ parties all year! Other highlights include central air conditioning, water softener and WATTS soffit + landscape lighting. All this just steps from the wonderful parks and pathways Legacy has to offer.
